President's Message

John Arnold, CML - TLA President

Time sure flies when you are having fun. I can't believe it is time for another newsletter. I had a really nice holiday and I hope you did also.

We have a new president (of the USA of course). He has inherited quite a mess. I am not going to try to decipher who is to blame, but I don't think there were any truly innocent people in Washington the last 16 years or so. Let's hope Mr. Obama does a good job. You don't have to like him, but this is our country and I hope he does well. I have given him a blank slate and will judge him on his performance. I want the best for my country, regardless of who is in charge.

We have hired a new lobbyist. His name is Keith Oakley. His credentials are perfect for our case. He has given us a much-discounted rate of 2000.00 per month (plus no more than 300.00 for expenses), but it is still a lot of money for us poor locksmiths. If all locksmiths in the state gave 25.00 per year, we would be able to foot this bill without issue. I have decided to give one service call a month to the cause. We will be raising money thru some other means also. Almost all other trades spend a lot of time in money promoting and protecting their trade. I feel we have to be proactive with our association. We are still viewed by much of the general public as tinkerers. I get calls from people every day wishing to get a license because it looks like an easy way to make money. When I tell them they need experience they ask why, they believe is little to learn. There are other forces in place to see our business will no longer survive in the future. I am a professional and we must promote ourselves such.

On a bright note, the convention books are out and you should be receiving with this newsletter. We have a really fun and educational convention planned. The actual convention kicks off Wednesday night with the kick off dinner at the Alamo Café. We will have our usual classes, a golf tournament, membership meeting, casino night, and the Expo (trade show). This is spring break so come with the family.

The week starts in Austin on Tuesday March 17. We will be participating in Legislature day. We will be going to the capital as group to visit with our state representatives and senators. This will do more for our profession than 10 lobbyists. When your representative meets you, you are no longer a vote, but a real person and a member of a real profession. Believe me, this will get the votes when our lobbyist presents it or discovers there is legislation that affects us. I plan on being there with my kids. I want them to see how our government works. More about this next month.

May 2009 be your best year yet,

John Arnold, CML

Letter From Your Editor

Laurence (Laurie) Simon, RL

This is one person who is happy to see the end of 2008. The illness and its fiasco that followed is over. The second to the last page of the December Advisor, I reflected back 50 years ago - the recession of 1958 and the brightness of 1959. For all of us I hope to see a repeat of that period of time. It won't be easy for as you can see from this issue, the TLA Advisor is much smaller than what I brought to you as your Editor.

The TLA ADVISOR:

The Advisor is published monthly for the benefit of our membership. To do the job properly the editor needs feedback from the membership! The space taken up for "advertising", "questions asked-Questions answered," "Good Will and Welfare," etc., has been eliminated. Printing and mailing costs have skyrocketed. E-mail holds down this cost yet we have over 300 members that do not have e-mail. (Hard to believe?) and if you got this issue in the mail, and have e-mail, please e-mail editor@texaslocksmiths.org Your Editor Needs Your Input For Publication! Your Editor and BOD needs your e-mail address

1959 vs. 2009 (50 years):

Today's world is much different than fifty years ago. ALOA was in its infancy, there were a few other small associations - nothing really to speak about. There was no education as we know it today, no licenses, just go to work every day and do your best for your family and customers.

2009 - ASSOCIATIONS:

Being your editor has given me the opportunity to express my feelings and thoughts of our business. I have expressed the importance of belonging, not only to organizations in the communities we live in but in the various associations that represent our trade. Just as the Advisor needs input from its members, TLA needs outreach help in obtaining new members. A Locksmith should not and cannot work in the State of Texas without a license. TLA is the representative of all Locksmiths in Texas. Frankly speaking, "why do a select few who belong to TLA (and other local associations) have to pay for the costs of a lobbyist to represent both members and non-members."

NEED TO DO NOW: (TLA OUTREACH PROGRAM)

Fellow TLA Members. Please go out and solicit Locksmith operations in your community (forgetting that they are your competition) to join TLA. Everyone in Locksmithing should belong and share the expense of our Lobbyist in Austin who works in behalf of all Texas Locksmiths.

SPECIAL INCENTIVE FOR TLA MEMBERS:

Any **TLA Member** who brings in a **NEW TLA member** will have **FREE FULL** membership in my "**An UnEnding Source of Information for the Lock & Hardware Industry**" Web Site, <http://www.simon-says.net>. contact me from my website, with your name and TLA number and the new member's name. TLA's Membership Chairman will confirm.

Your FREE full membership will start immediately but withdrawn if the new member is not approved

Legal - License - Law

Texas Legislation

Keith Oakley, TLA Lobbyist

With the changes in the House it is especially important this year that we let members know that they have locksmiths in their district who they can count on if they have questions concerning our industry.

There are 150 members of the Texas House of Representatives and 31 Members of the Texas Senate. The November elections resulted in 22 new members in the House and one new Senator, Senator Wendy Davis.

Most of the new members will probably know very little about the Locksmith profession as they enter the Legislature.

It is our job to contact them and let them know how important our industry is to the State of Texas. They need to understand the size, scope and impact of our business on our economy and public safety.

If you live or work in the district of any of these new members, or have a personal connection with them, please let them know that if they have any questions related to private security that they are encouraged to give you or me a call.

They are: Senator Wendy Davis, (D-Fort Worth, Dist. 10), Rep. Carol Alvarado, (D-Houston, Dist. 145), Angie Chen Button, (R-Richardson, Dist. 112), Al Edwards, (D-Houston, Dist. 146), Allen Fletcher, (R-Houston, Dist. 130), Roland Guterrez, (D-San Antonio, Dist. 119), Todd Hunter, (R-Corpus Christi, Dist. 32), Carol Kent, (D-Dallas, Dist. 102), Tim Kleinschmidt, (R-Lexington, Dist. 17), Ken Legler, (R-Pasadena, Dist. 144), Tyron Lewis, (R-Odessa, Dist. 81), Diana Maldonado, (D-Round Rock, Dist. 52), Marisa Marquez, (D-El Paso, Dist. 77), Robert Mikios, (D-Mesquite, Dist. 101), Doug Miller, (R-Bulverde, Dist. 73), Joseph Moody, (D-El Paso, Dist. 78), Ralph Sheffield, (R-Temple, Dist. 55), Mark Shelton, (R-Fort Worth, Dist. 97), Kristi Thibaut, (D-Houston, Dist. 133), Chris Turner, (D-Arlington, Dist. 96), Armando Walle, (D-Houston, Dist. 140), Randy Weber, (R-Pearland, Dist. 29), and Tara Rios Ybarra, (D-South Padre Island, Dist. 43).

These incoming members are the future of Texas Government and will be asked to make decisions and cast votes within the next few weeks concerning your future as locksmiths. They will be bombarded with floods of information on every topic known to man on a daily basis as a new Legislator. It is much like trying to take a drink from a fire hydrant. They have a lot to learn and little time before they must make decisions.

Legal - License - Law

If you are not sure who represents you in the Legislature, go to "Texas Legislature Online" and click on "who represents me". Let them know that you will be in Austin on March 17th and would like to make an appointment. If the Legislator can not see you, do not be offended, they are extremely busy during Session. Meeting with the legislative aide will do just fine.

The more they know about our business, the better they will be able to make informed decisions. I look forward to representing TLA before the Texas Legislature, and hope to see you in Austin.

PRIVATE SECURITY BUREAU INVESTIGATIVE OFFICES

For Criminal History and Licensing inquiries, please contact Private Security Bureau Headquarters:

(512) 424-7710

"PHONY LOCKSMITH'S"

If you or your customers encounter a phony locksmith, please file a complaint through your state's Attorney General office. The AG's are aware of this problem, but require consumer complaints in order to pursue the matter.

ALOA has set up a webpage to file those complaints at: <http://www.aloa.org/AGMap/AG.htm>.

TEXAS LICENSE VERIFICATION

If you are curious as to whether an individual or Company is licensed through the Department of Public Safety, it is simple to research on the DPS Web site. To do so, just follow these steps:

1. Go to the Texas DPS Private Security Board Web Page:

<http://www.tcps.state.tx.us>

TEXAS LICENSE VERIFICATION, Cont'd

2. On the Bottom Left, Select Search Individual or Search Company.
3. Enter Known Information
4. Press Enter, or Select Search

Texas Legislative Fund

The Texas Locksmiths Association monitors legislation, licensing, and regulation to look after the interests of locksmiths in Texas. A portion of the membership dues helps maintain this program, but additional contributions are needed. Those wishing to support this effort with a donation or donate items for auction, please contact a member of the board or call 1-877-TLA-INFO.

Bylaws Admendment

AMENDMENT #1 Amend Article IV Section 1 by changing to the underlined words in italics.

ARTICLE IV DUES AND ASSESSMENT

Section 1. Dues. The total annual dues and assessment for all classes of TLA members except life and honorary members shall be ninety-five dollars (\$95.00).

A. Annual dues shall be fifty seven dollars (\$57.00) and shall be deposited in the TLA general fund.

B. Assessment shall be thirty eight dollars (\$38.00) and shall be deposited in the TLA legislative fund.

C. Annual dues and assessment, if applicable, shall be payable between the first day of the year and by the close of the registration desk on the day of the general membership meeting.

Rationale:

The dues and assessment have not been increased in many years and are in need of substantial adjustment as they are behind normal inflation.

AMENDMENT #2:

Amend Article IV by inserting inserting subsection 1.D which is underlined.

D. The dues may be increased as needed by two third vote of the Board of Directors, provided they publish their motion in the TLA Advisor twice and for a period of no less than 60 days. The increase may not exceed 30% in any yearly period.

Rationale:

The dues and assessment need to be increased to keep up with increased costs, the board needs to be able to do so in a timely manner. There are restraints so membership will know in advance. 2/3 vote will protect and insure a clear majority.

EDUCATION

CONTINUING EDUCATION

Don't forget that you are required to have a total of eight hours of continuing education credits for your renewal of license. One hour must be an approved ethics class. Several organizations are offering classes. Check with You' local associations, TLA, and national associations for class information.
